

1. Motivational Speech – The Unstoppable You

Script:

HAVE you ever FELT like GIIIV-ing up? Like the world is WHIIIS-pe-ring, ‘You’re not good enough?’ Let me tell you a SEEE-cret: every great a-CHIIIEVE-ment began with someone re-FUUUS-ing to QUIT.

Think of Thomas Edison. He failed repeatedly, yet he called each FAAAIL-ure a ‘STEP CLOOOS-er.’ Or Malala Yousafzai, who turned ad-VER-si-ty into un-SHAAAKE-a-ble courage.

Your JOOOOUR-ney will have OB-sta-cles—moments of un-CER-tain-ty, mis-un-der-STAAAND-ing, even DEV-a-sta-ting disappointment. But here’s the un-de-NIIIII-a-ble TRUUUTH: you are CAAA-pa-ble of ex-TRAA-OR-di-na-ry things.

So STAND TALL. SPEEEAK with con-VIC-tion. When DOUBTS arise, declare: ‘I am re-SIIL-i-ent. I am unstoppable.’ Because the world needs your LIIGHT—un-WAAAV-er-ing and BRIIIGHT!

per-se-VEER-ance isn’t just hanging on; it’s never GIIIV-ing up on being your BEST, even when things seem im-POOOS-si-ble. The GREEEAT-est people in HIS-to-ry—DREEEAM-ers, in-VEN-tors, and LEEEAD-ers—all faced huge CHAAAL-len-ges. But they used their un-BEEEAT-a-ble courage to turn un-LIIIKE-ly dreams into REEEAL, a-MAAAZ-ing a-CHIIIEVE-ments.

You have that same unstoppable STREEENGTH inside you. When life feels too HARD, re-MEM-ber: tough times push you to GROOOW in ways you never im-AAAG-ined. STAAAY strong and BRAAAVE, no matter what. The ROOAD won’t be EASY, but every STRUUUG-gle, every FAAAIL-ure, is shaping your in-CREED-i-ble suc-CESS.

So RIIISE—UN-a-pol-o-GET-ic-al-ly, FEEEAR-less-ly, un-COM-pro-mis-ing-ly. The world isn’t just WAAAIT-ing for your suc-CESS; it’s DES-per-ate-ly NEEEEEED-ing your un-PAR-a-lleled BRIIILL-i-ance. SHIIINE on!

ANALYSIS

1. pink highlight + stretched vowel = long vowel
2. Sentence stress = noun, verbs, adverbs, adjectives, negative auxiliary verbs
3. Stressed syllables = Words with capital letters (example: BRIGHT (one syllable); mis-un-der-STAND-ing (multiple syllables))
4. Silent letters = letters in a word that are written but not pronounced when the word is spoken.

Silent letters are contained in the above speech:

Word	Silent Letter(s)	Explanation
whispering	h	The 'h' is silent in 'whispering'.
enough	gh	The 'gh' is silent in 'enough'.
doubts	b	The 'b' is silent in 'doubts'.
light	gh	The 'gh' is silent in 'light'.
bright	gh	The 'gh' is silent in 'bright'.
strength	g	The 'g' is silent in 'strength'.
tough	gh	The 'gh' is silent in 'tough'.
